

SONGS OF THE WISDOM TRADITIONS

Workshop with Bronwyn Calcutt

Acclaimed as an “inspirational” festival highlight at the recent Daylesford Singers Festival - now being presented in Melbourne by popular demand.

CHANTS TO OPEN AND CALM THE VOICE AND HEART

Drawn from many years of learning songs of the world's spiritual traditions -Buddhist, Hindu, Sufi, Christian, Indigenous, Native American and Jewish - Bronwyn Calcutt will share some of these simple, beautiful chants. Bronwyn is a singer, songwriter, choral director of Shaking the Tree and Expressive Women. She finds inspiration in both the gypsy tradition of Europe, and the meditative practices of Buddhism of which she has been a lifelong student.
